New Growers Workshop on 20th, hosted by Merv & Helen Toon, starting at 2pm. See attached map for directions.

MDOS Autumn Orchid Show is on Friday 26th 8am – 4pm & Saturday 27th 8am – 3pm @ Sporting Wheelies Hall.

Points of Interest

- Members are requested to bring in an orchid, plant or another item to donate for the raffle at each General Meeting & assistance is appreciated to tidy the Hall after the Meeting finishes.
- **A reminder to Members** - You must own an orchid for a minimum of 3 months before it is eligible to be entered in the Monthly Popular Vote.
- Please have your Popular Vote Orchids tabled **at least 15 minutes** prior the start of the meeting.
- MDOS is looking for volunteers to present a talk at the General Monthly Meetings. It could be about a particular type of Orchid or common diseases or even your setup in your shade-house. Please let Dennis or Ros know if you are interested.
- We still have a vacant spot in November on our **Supper Roster**.
- Pests & Diseases reference site: **www.staugorchidsociety.org**
- MDOS has a Facebook page. Like us on Facebook.

PRESIDENTS REPORT – MARCH 2021

The MDOS Autumn Show, Friday & Saturday March 26 & 27th, at the Sporting Wheelies Hall is rapidly approaching so I hope you are spending all your free time grooming and staking the inflorescences and flower sheathes of your special orchids to take out the Show and Reserve Champions or sectional winners. How do your blooms stack up against other growers' blooms? **“You’ll never never know, if you never never show”**. I know I sound like a broken record, but you’ll never know unless enter your blooms in shows against other growers.

Show set-up and tabling of plants will be on Thursday March 25th commencing at 12 noon. Show entries must be tabled by 2:45pm as Judging will commence at 3pm. As this is our first show for over twelve months, I encourage all growers, novice and experienced, to enter their blooms into the Autumn Show. Let’s give the general public something to WOW over with lots of flowers in a full range of colours.

A different method with the orchid sales will be trialled at the Autumn Show with the Sales table open to all members, small and large growers and commercial growers will be able to sell their orchids. The plants must be healthy, in clean pots, free of pest & diseases, and free of weeds. The plants should be in a condition that you would like to purchase and take home to your collection. Sellers will be given a Sellers Number, that number and the plant cost is written on a separate tag which is placed in the pot, this separate tag is collected by the cashier at the point of sale. The society will deduct 10% from the sale and return 90% to the seller.

The first New Growers Workshops was held at Doug & Eve Penningh’s residence and by all reports it was a resounding success. The workshop focused on “Staking of Plants and Inflorescence” to provide New Growers with methods and knowledge to assist them in staking their blooms of the Autumn Show. The second New Growers Workshop is scheduled for March 20th and will be held at Merv and Helen Toon’s residence (1182 Bruce Highway) commencing at 2:00pm and will focus on “What genera grow best in pots, baskets, saucers or mounts”.

MDOS are again running the North Queensland Orchid Fair on June 5th & 6th at the Townsville Table Tennis Hall at 60 Charters Towers Road, Townsville. The initial orchid Fair in 2019 was a great success however the COVID Pandemic caused us to cancel the 2020 event, and we are planning on surpassing the 2019 event. The Banjo Patterson Motel is again the preferred accommodation (Contact: 4725 2333, Email: banjo.paterson@bigpond.com), the motel has reserved all the rooms for that weekend for the orchid fraternity. If you plan on attending the NQ Orchid Fair, I suggest your book your accommodation ASAP as the motel is filling up fast. The motel managers Annette and Greg, really looked after us in 2019 and while we had a great time at the Orchid Fair, we certainly enjoyed the comradery of sharing the odd lemonade with orchid growers from other societies back at the motel over dinner or around the pool.

If you cannot attend the NQ Orchid Fair, MDOS have 50 raffle tickets to presell at \$1 each, these will be available at the General Meeting. First prize in the 2019 raffle consisted of basically a small orchid collection of approximately 25 orchids of various genera.

Happy Orchid Growing.

Kind Regards,

Dennis Farlow

Treasurer’s Report

Read by Eve Penningh:

General Business:

- Five different experienced growers will present the New Growers Workshops this year. They will show you how they grow their orchids, and this will give the members other ideas on their orchid growing. These growers are: Doug & Eve Penningh, Ron Bassan, Merv Toon & Peter Milward, Rod Shoosmith, and Dennis Farlow. The dates for the workshops will be:
27th February, 20th March, 24th April, 29th May, 26th June.
The first New Growers workshop to be held at Doug and Eve Penningh residence on 27th February. Please bring a chair and a pair of pliers. **The subject will be:** Staking plants and inflorescences. This will be in good time for the Autumn Show.
New growers who have names down and can't make it will be forwarded any notes issued on the Subject.
- Autumn Show – March 25th (setup) 12.00pm, 26th 8.00am – 4.00pm, 27th 8.00am – 3.00pm.
All plants are to be tabled by 2.45pm at the latest, otherwise you miss out.
Sales tables will be different this year. This will enable all members a chance to sell their wares even if they have one or 50 plants to sell. All plants should be in great condition. They should be what you would like to buy not because you want to get rid of them.
Sellers will be given a number, they place this number and the cost on a label or a tag. The plant will then go to the cashier and the label or tag will be taken out and placed into the cashier's till. The club will take 10% and the sellers gets 90%. This will free up members to assist in show duties. There will be a roster to assist as to run the show. We also have a QR code for COVID 19. We will need someone sitting at the door with a computer as not everyone will be able to put the QR code on their phone.
- At all our general meetings we start the meetings at 7.30pm and plants must be tabled by 7.15 pm. This gives the stewards time to ensure plants are in the right categories.
- When voting on the popular votes – each category has the same-coloured tickets. Please ensure the colour matches the categories and place in the bin. This makes it easy for the counters.
- President D. Farlow read a letter to the members from D. Gedda and S. Muir. This will go to the committee, discussed, and then voted on.
- Fernland Agencies – there have been a couple of cases where members order from Fernlands and have it delivered to their addresses. This is not how it is done. The club has a property officer and must go through the property officer first. This will cease and not do this individually. All orders are to go through the property officer. Why do we have a property officer?
- Ron Bassan gave a talk on colour break. Ron showed members what colour break looks like. Let it flower twice, if it flowers the same twice and then either burn it or bin it.

PEST CONTROL - HOME REMEDY (For all plants, including Orchids): Supplied by Doug Penningh

*500 MLS luke-warm water *5 MLS Pariffin Oil *3-4 drops of dishwashing liquid (I use Morning Fresh)

I only spray early morning or late afternoon, never in the heat of the day. This mixture has been very effective on all plants, ferns and especially the orchids (dens, cats, onchids & phallys).

It stops **RED SPIDER, WHITEFLY, SCALE & MEALY BUGS**. The best of it is, it's not poisonous!

Planning Committee Update February 2021

No one needs to tell you all what a difficult time we have had over the last 12 months. Covid19 has made, and continues to make, a serious impact on our daily lives. There is ongoing uncertainty with respect to travel, borders, vaccination timelines, and social distancing for everyone's safety, so...

POSTPONEMENT OF 22ND AOC CONFERENCE & SHOW

It is with considerable regret that the planning committee has had to make the difficult decision to postpone the 22nd AOC Conference & Show by 12 months. The new dates for the event are **31st August to 4 September 2022**.

Please accept our apologies for any inconvenience this may have caused, and thank you for your understanding. It is important to all committee members that your health and safety are protected, and the opportunity to attend is provided to all.

On the positive side of this announcement, we now have 18 months to plan for a fantastic event, with the probability that more people will be able to attend. Close off dates for various events and entries will of course also change, and these will be updated on our website <https://www.aocc2021.org> as soon as they are finalized. The first change is to the **early bird registrations** which will now close 12 months later on 31 March 2022. Keep an eye on the website for further announcements.

If you require further information, you can contact any member of the planning committee. Contact details are above and on the AOCC website.

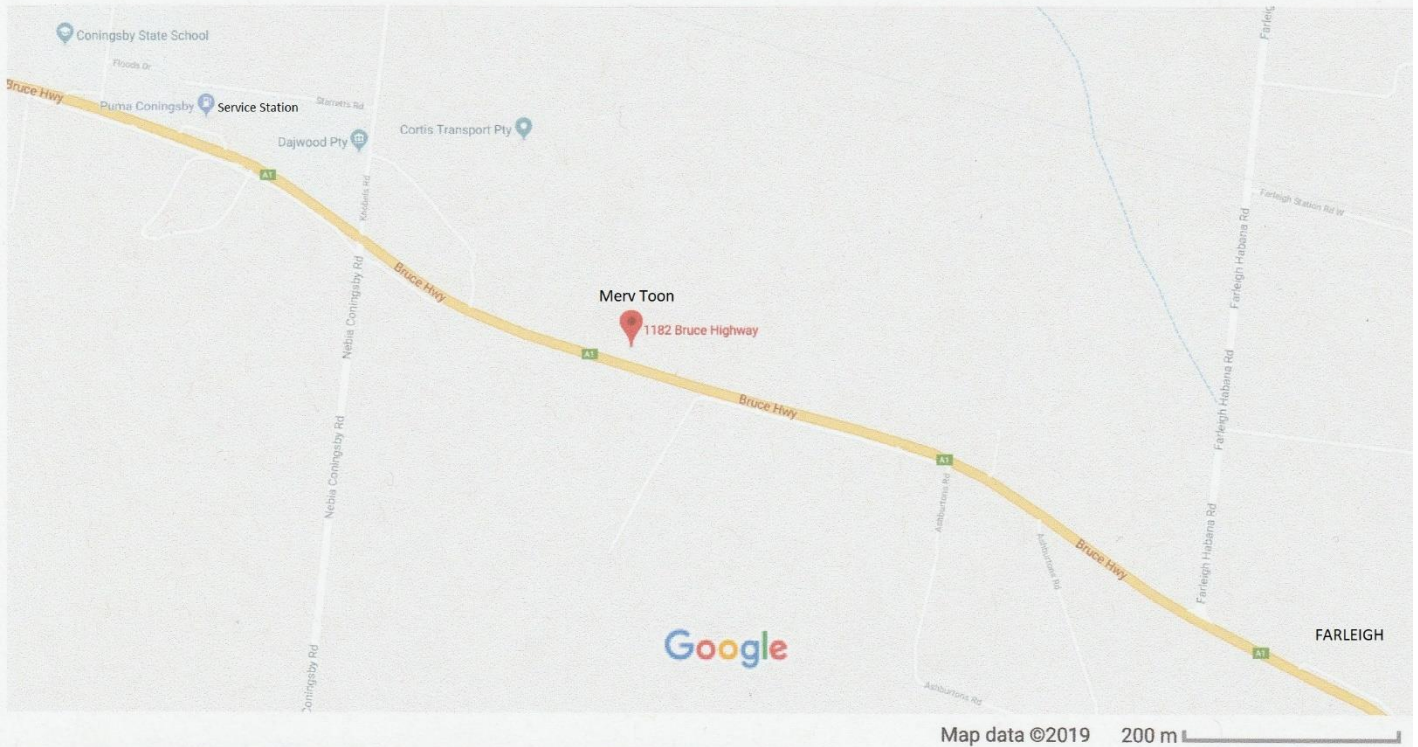

Stay well everyone.
