PRESIDENTS REPORT – OCTOBER 2021

Our Spring Orchid Show is scheduled for 15th & 16th October with set-up to be held on Thursday 14th from 12 noon and judging to commence at 3:00pm. Planning for the show is well under way with the aim of making this our biggest show to date. I encourage all members to enter plants in the show for the benefit of the viewing public. *“You’ll never never know if you never never show”*.

The Annual General Meeting will be held after the October 21st General Meeting, the success of any society is reflected in the work the committee and members do in the background to ensure the society continues to grow.

A few of our members made the trek North to attend the Bowen Orchid and Foliage Plant Society Spring Show. It was a highly successful show and well attended by the general public. Even though the Bowen society is only a small society in terms of membership numbers, the range of orchids and foliage plants on display compared favourably with shows conducted by larger societies. It was well worth making the trek “just up the road” to see the display of Slipper and other orchids in flower, and the range of foliage plants.

The MDOS Christmas and Awards Luncheon will be held at the Wests Leagues Club on Sunday 12th December commencing at 11:30am. Names and payment are required by the November General Meeting. The club subsidises the cost of the lunch, it is a fun event with good food, lots of laughter amongst great friends.

Happy Orchid Growing.

Kind Regards,

Dennis Farlow

MDOS President

PEST CONTROL - HOME REMEDY (For all plants, including Orchids): Supplied by Doug Penningh

*500 MLS luke-warm water *5 MLS Paraffin Oil *3-4 drops of dishwashing liquid (I use Morning Fresh)

I only spray early morning or late afternoon, never in the heat of the day. This mixture has been very effective on all plants, ferns and especially the orchids (dens, cats, oncidis & phallys).

It stops **RED SPIDER, WHITEFLY, SCALE & MEALY BUGS**. The best of it is, it’s not poisonous!

Planning Committee Update February 2021

No one needs to tell you all what a difficult time we have had over the last 12 months. Covid19 has made, and continues to make, a serious impact on our daily lives. There is ongoing uncertainty with respect to travel, borders, vaccination timelines, and social distancing for everyone's safety, so...

POSTPONEMENT OF 22ND AOC CONFERENCE & SHOW

It is with considerable regret that the planning committee has had to make the difficult decision to postpone the 22nd AOC Conference & Show by 12 months. The new dates for the event are **31st August to 4 September 2022**.

Please accept our apologies for any inconvenience this may have caused, and thank you for your understanding. It is important to all committee members that your health and safety are protected, and the opportunity to attend is provided to all.

On the positive side of this announcement, we now have 18 months to plan for a fantastic event, with the probability that more people will be able to attend. Close off dates for various events and entries will of course also change, and these will be updated on our website <https://www.aocc2021.org> as soon as they are finalized. The first change is to the **early bird registrations** which will now close 12 months later on 31 March 2022. Keep an eye on the website for further announcements.

If you require further information, you can contact any member of the planning committee. Contact details are above and on the AOCC website.

Stay well everyone.
