PRESIDENTS REPORT – APRIL 2022

On behalf of the Society, I wish to take this opportunity to wish Iris Gedda a speedy recovery following her recent fall. Iris has purchased the raffle articles, assembled and donated the 1st place raffle prize for each of the MDOS shows for decades. Your contribution has always been very much valued and appreciated. To all members who are recovering from recent operations, we wish you a speedy recovery.

The Autumn Show was a success with numerous positive comments from the general public and society members. Congratulations to Doug & Eve Penningh on taking out both the Show Champion and Reserve Champion, Trevor Heitman for growing the Best Specimen Orchid and Sally Muir for the Best Species Orchid. A big congratulations to Ryan and Amber Hardy for winning the Novice Champion with a Ctna. Why Not. It was pleasing to see all the members conversing and enjoying each others company. The general public participation in the potting demonstrations was at an all-time high and is usually a very good guide in indicating the general publics increased interest in orchid growing.

MDOS was well represented at the Herbert River Orchid and Allied Plant Association annual Field Day with sixteen members travelling by bus, and two other couples driving their own vehicles to Ingham to attend. It was a hectic 3 days of bus travel however the laughter and banter between the members and the opportunity to purchase orchids and foliage plants made the travel well worth the effort. The motel carpark happy hour lived up to expectations with tonnes of laughter between all members. There was no space left in the trailer with orchids and plants taking up over 80% of the trailer space on the way home. To Robin and Eric Dundas, thank you for your hospitality and opening up your greenhouse on our return journey home.

The New Growers Workshop will be held on April 23rd at Dennis & Roz Farlow's residence, 120 Wainai Road, Farleigh commencing at 2:00pm. The workshop subjects discussed will be: Back cutting orchids, Orchid Potting Mediums and Orchid Terminology.

Happy Orchid Growing.

Kind Regards,

Dennis Farlow

MDOS President

Growers Tip

RAID Oneshot is good for controlling Dendrobium Beetles & Slugs.
If you have a problem with ants, put some **ANTRID** on a plastic label and place it in the ants' pathway.

PEST CONTROL - HOME REMEDY (For all plants, including Orchids): Supplied by Doug Penningh

*500 MLS luke-warm water

*5 MLS Paraffin Oil

*3-4 drops of dishwashing liquid (I use Morning Fresh)

I only spray early morning or late afternoon, never in the heat of the day. This mixture has been very effective on all plants, ferns and especially the orchids (dens, cats, oncidis & phallys).

It stops **RED SPIDER, WHITEFLY, SCALE & MEALY BUGS**. The best of it is, it's not poisonous!
